Attend the Florida Chapter of the American College of Surgeons (FCACS) Annual Meeting, April 28-29, 2017 in Orlando. Hear from the experts in the field about the latest in robotic surgery, advances in vascular interventions and innovations in cancer treatment. Experience new technology in surgical care during the workshops and meet surgeons from all specialties.

This year, the Florida Committee on Trauma (FCOT) Annual Meeting will be held in conjunction with the FCACS Annual Meeting on April 28, 2017. For more information on the FCOT meeting, visit floridacot.org.

Faculty subject to change. Please check website for updates.

TARGET AUDIENCE
General and specialty surgeons, surgical residents, surgical fellows, surgical students and researchers.

ACCREDITATION
The American College of Surgeons is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CME CREDIT
The American College of Surgeons designates this live activity for a maximum of 10 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

LEARNING OBJECTIVES
- Appraise reconstructive materials and techniques for surgical wound repairs
- Demonstrate robotic and laparoscopic skills
- Evaluate case scenarios for appropriate trauma care
- Assess current and future application of robots in surgery
- Describe the process of vascular surgery interventional modalities and their role in improving patient outcomes
- Discuss observations from mass casualty incident
- Describe current and emerging therapies in the treatment of melanoma and sarcoma
- Recognize informed decision-making utilizing historical ethics and their contemporary implications

LOCATION/VENUE

Friday, April 28
Florida Hospital
Nicholson Center
404 Celebration Place
Celebration, FL 34747

Saturday, April 29
Hyatt Regency Grand Cypress
1 Grand Cypress Boulevard
Orlando, FL 32836
